DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 14, 27, 38, 49, the prior art and Ramos (US Patent No 7072663 B2) and Lane et al (US Patent No 6978121 B1) and Liang et al (US Patent No 6954616 B2) either alone or in combination failed to teach the features of a method for managing wireless transmission conflicts on a computing device that supports at least two wireless transmitters, and wherein the method comprising the steps of identifying a potential signal conflict arising from simultaneous transmissions by a first wireless transmitter and a second wireless transmitter currently installed on the computing device; preparing to transmit a first set of data via the first wireless transmitter; preparing to transmit a second set of data via the second wireless transmitter; assigning priorities to the first and second sets of data; and transmitting the first set of data and second set of data, via the first wireless transmitter and the second wireless transmitter, respectively, on a non-conflicting basis and in accordance with priorities assigned to the first and second data sets.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
